Classification	200: Non-Management
Range	235

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

DEPARTMENT / DIVISION As assigned

SUMMARY DESCRIPTION

Under supervision of assigned supervisory or management staff performs a variety of semi-skilled and skilled duties in the construction, modification, maintenance, repair, and/or renovation of parks, landscaped areas, street medians, Town assets and facilities, inspects the work of outside contractors performing maintenance work and reports to higher level personnel; performs plumbing, carpentry, electrical, remodeling, painting, and a variety of other related craft work as assigned; uses and operates a variety of manual and power tools and light to heavy power driven equipment; assists in the training of lower level maintenance staff; and performs related work as required.

IDENTIFYING CHARACTERISTICS

Park/Landscaper/Maintenance II - This is the full journey-level class in the Park/Landscaper/ Maintenance classification series that performs the full range of duties required to ensure that Town assets and facilities to which assigned, are maintained in a safe and effective working condition and provide the highest level of safety for public use. Responsibilities include inspecting and attending to assigned areas in a timely manner and performing a wide variety of tasks in the maintenance and repair of parks, landscape areas, and buildings. Positions at this level are distinguished from the I-level by the performance of the full range of duties as assigned, working independently, and exercising judgment and initiative. Positions at this level receive only occasional instruction or assistance as new or unusual situations arise. The employee is fully aware of the operating procedures and policies of the department. The work performed is normally reviewed only on completion and for overall results. Positions in the Park/Landscaper/Maintenance class series are flexibly staffed and are generally filled by advancement from the Park/Landscaper/Maintenance I level, or when filled from the outside, require prior experience. Advancement to the "II" level is based on management judgment and/or certification or testing that validates the performance of the full range of job duties.

REPRESENTATIVE DUTIES

The following duties are typical for this classification. Incumbents may not perform all of the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions.

1. Sprinkler operation including repairs, installation, maintenance and controller operation.
2. Knowledge of soil preparation for planting trees, shrubs, ground cover and seeding/sod installation.
3. Performs maintenance and repair activities of Town parks, landscaped areas, buildings, and related assets and facilities to ensure safe and efficient access for the public.
4. Performs a variety of maintenance duties of landscaped areas such as parks, street medians, islands, and sidewalks, including planting, irrigating, fertilizing, and maintaining trees, shrubs, flowers, and turf; performing weed abatement using a chemical sprayer; irrigating, aerating, mowing, and fertilizing turf; removing fallen trees and limbs, stumps, and related debris; trimming trees; raking leaves and clearing debris; and picking up trash and emptying receptacles.
5. Mixes and sprays herbicides, fungicides and pesticides in a safe manner, as prescribed by law.
6. Performs a variety of duties in the maintenance and repair of irrigation systems; installs, adjusts, repairs, and inspects irrigation systems; determines watering needs; changes and adjusts heads and maintains controllers; installs and rewires irrigation clocks; participates in irrigation system installation and maintenance projects.
7. Inspects, maintains, and repairs playground equipment, picnic tables, drinking fountains, lighting systems, athletic fields, tennis courts, pickleball courts, bocce courts, picnic areas, basketball courts and other related parks equipment and facilities.
8. Clean curbs and gutters, storm drains and surface drains.
9. Maintains parks and landscaped areas in a clean and safe condition, including picking up trash, maintaining doggie stations, and cleaning, repairing, and maintaining restrooms and fixtures.
10. Maintains and repairs Town Community Center and other facilities by performing carpentry, painting, plumbing, heating, ventilation, and air conditioning (HVAC), and mechanical repair work.
11. Performs concrete maintenance, including attending to trip hazards, demolishing and removing concrete, and forming, pouring, and finishing sidewalks, sidewalk ramps, and curbs.
12. Performs graffiti abatement duties, including locating, documenting, and cleaning graffiti and notifying appropriate management as needed.
13. Uses an airless paint sprayer; mixes, thins and applies paint to sound-walls and fences to cover existing graffiti, as and when needed.

14. Performs various custodial duties, including sweeping, mopping, vacuuming, and dusting; sets-up and takes down rooms for meetings.
15. Removes graffiti; repairs park furnishings; repairs lighting issues; cleans and maintains as assigned.
16. Inspects the Town for safety issues, structural integrity, and possible future work projects and programs, and appropriately marks areas that need to be repaired.
17. Operates and maintains specialized vehicles including various lawn mowers and a variety of light, medium, and heavy equipment and hand and power tools related to the construction, maintenance, and repair of assets and facilities.
18. Observes safe work methods and makes appropriate use of related safety equipment as required.
19. Implements traffic safety control plans, including setting up delineation and signage around work sites and special events to ensure safe conditions for the general public and Town workers.
20. Maintains work areas in a clean and orderly condition, including securing equipment at the close of the workday.
21. Provides needed information and demonstrations concerning how to perform certain work tasks to new employees in the same or similar class of positions.
22. Maintains accurate logs and records of work performed and materials and equipment used.
23. Responds to after-hours emergencies.
24. Sets-up and removes equipment and facilities needed for special events.
25. Attends training and safety meetings as necessary.
26. May perform the duties of the Water Service Technician classification series; reports water and wastewater leaks to appropriate staff and/or management.
27. Performs other duties as assigned.

QUALIFICATIONS

The following generally describes the knowledge and ability required to enter the job and/or be learned within a short period of time in order to successfully perform the assigned duties.

Knowledge of:

Methods and techniques of planting, cultivating, pruning and maintaining a variety of lawns, ground cover, plants, shrubs, hedges and trees. Methods and equipment used in weed, pest and insect control. The operation and minor maintenance of a variety of hand and power tools, vehicles and equipment related to the work. Use and operate ride-on mowers, tractors, lifts, motorized vehicles including towing trailers and equipment to various jobsites. Safety equipment and practices related to the work, including the handling of hazardous chemicals. How to properly apply chemicals and use safely while working around humans and animals. Basic painting, plumbing and carpentry methods, tools and techniques. Applicable Federal, State, and local laws, ordinances, regulations, and guidelines relevant to assigned duties. Principles and practices used in dealing with the public. Maintenance principles, practices, tools, and materials for maintaining and repairing Town assets and facilities, including parks, street medians, sports fields,

playgrounds and equipment, pool, irrigation systems, community center, and other facilities and buildings. Traffic control procedures and traffic sign regulations. Operational characteristics of specialized construction maintenance and repair equipment. Occupational hazards and safety equipment and practices related to the work. English usage, spelling, vocabulary, grammar, punctuation, and basic arithmetic. General principles of risk management related to the functions of the assigned area. Techniques for providing a high level of customer service by effectively dealing with the public, vendors, contractors and District staff, in person and over the telephone. Safe driving principles and practices. Safe work practices.

Ability to:

Independently perform construction, modification, maintenance, and repair work on Town assets and facilities. Troubleshoot maintenance problems and determine materials and supplies required for repair. Operate specialized construction, maintenance, and repair equipment. Setting up and operating a traffic area zone, including cones, barricades and flagging. Troubleshooting maintenance problems and determining materials and supplies required for repair. Read, interpret, and apply technical information from manuals, drawings, specifications, layouts, blueprints, and schematics. Recognizing common plants, plant diseases and insect pests. Using and maintaining tools and equipment related to the work skillfully and safely. Maintaining accurate logs, records and basic written records of work performed. Following District and department policies and procedures related to assigned duties. Preparing and maintaining accurate logs, records, and basic written reports of work performed. Giving, as well as understanding and following oral and written instructions. Making basic accurate arithmetic calculations. Exercising good judgment, flexibility, creativity, and sensitivity in response to changing situations and needs. Organizing own work, setting priorities, and meeting critical time deadlines. Working independently in the absence of supervisor. Using English effectively to communicate in person, over the telephone, and in writing. Establishing and maintaining effective working relationships with employees and those contacted in the course of the work. Providing exceptional customer service to other District staff and the public. Effectively representing the District in meetings with the public. Establish, maintain, and foster positive and effective working relationships with those contacted in the course of work. Using tact, initiative, prudence and independent judgment within general policy, procedural and legal guidelines. Operating a motor vehicle safely.

EDUCATION AND EXPERIENCE:

Any combination of training and experience that would provide the required knowledge, skills, and abilities is qualifying. A typical way to obtain the required qualifications would be:

Equivalent to the completion of the twelfth (12th) grade.

Parks/Landscaper II: AA Degree in Ornamental Horticulture Preferred or four (4) years on the job training in the Landscape Industry.

Maintenance II: Two (2) years of experience in construction, maintenance, and repair of parks, facilities, and related assets; or two (2) years of experience equivalent to Maintenance I at the Town.

License:

Must possess and maintain a valid California class C driver's license and have a satisfactory driving record. Depending on assignment, possession and maintenance of Qualified Applicator Certificate may be required. Depending on assignment, possession and maintenance of Certified Pool Operator certificate may be required.

PHYSICAL DEMANDS AND WORKING ENVIRONMENT

The conditions herein are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential job functions.

Environment: Employees work in the field and are exposed to loud noise levels, cold and hot temperatures, inclement weather conditions, exposure to hazardous traffic conditions and rough terrain, vibration, confining workspace, chemicals, mechanical and/or electrical hazards, and hazardous physical substances and fumes. The employee interfaces with staff, management, and the public in providing customer service, explaining Town policies and procedures, and requesting and providing information. May be required to work on evenings, weekends, and holidays.

Physical: Primary functions require sufficient physical ability and mobility to walk, stand, and sit for prolonged periods of time; to frequently stoop, bend, kneel, crouch, crawl, climb, reach, twist, grasp, and make repetitive hand movement in the performance of daily duties; to climb unusual heights on ladders; to lift, carry, push, and/or pull 50 pounds or heavier amounts of weight; to operate assigned equipment and vehicles; and to verbally communicate to exchange information.

Vision: See in the normal visual range with or without correction.

Hearing: Hear in the normal audio range with or without correction.

Note: All employees of the Town of Discovery Bay Community Services District are designated by state law to be "Disaster Service Workers." In the event of a declared emergency or any undeclared emergency or natural disaster that threatens the life, health and/or safety of the public, employees may be assigned to assist rescue and relief workers. Such assignments may be in locations, during hours and performing work significantly different from the employees' normal work assignments and may continue through the recovery phase of the emergency.
