Meet our instructor...

Dennis Allen

Dennis Allen grew up in Newark, CA, playing all sports. Basketball was his main sport that he had played for 4 years in high school.

As an adult, he continued playing in city softball and basketball leagues along with racquetball. In early 2009, he moved from Newark to Discovery Bay.

The things that are important to him, other than his family of course, are his Church, waterskiing and pickleball.

He played pickleball for the first time in 2017 and after the first time playing,

like most people, he was hooked on the game. After playing for several months, he entered his first tournament and had success winning several medals at the 3.5 level. He then moved up to 4.0 and is currently playing 4.5/5.0.

After retiring in March of 2022, he started coaching people. He found that he really got a great deal of satisfaction in seeing others improve their game. He is excited to offer instruction at the Discovery Bay Community Center in a fun learning environment for all levels from beginner to advanced.

Did you know...

The Town of Discovery Bay's Recreation Department is always on the lookout for new and exciting programs or classes to bring to the residents of our community.

In an effort to meet that objective, the Town utilizes Contract Instructors to provide these programs and activities. Many of these contractors currently utilized by the Town, also teach programs and activities in neighboring communities.

If you are interested in becoming an Independent Contract Instructor for the District, please visit the Town's website at www.todb.ca.gov and click on the "Recreation Services" tab, then hit the "Instructor Proposal Form" tab on the left side of the page.
